Yes, I meant tomorrow. A secretary has been asked to send you a summons. What time can you be here. I have two other witnesses - another expert who should be very quick and a co-defendant whom I expect to be hostile. Ten o'clock would probably be perfect. I know you have a ton of stuff in Dorchester. If you want to come here first thing, I'll put you on first at about 9 and then you can be on your way to Dorchester. Whatever works for you...I just don't expect to still be going in the afternoon.

My cell is [REDACTED] I'm about to head out to another court, so a txt would be the best way to reach me.

Thanks Annie.

Greg

My weekend was good. Productive on Saturday not so much on Monday (training a new chemist). I have the same cell #.

Do you mean Thursday, you will need me? Also, at your convenience, could you please email or fax over a summons for this case?

Thanks.

Hi Annie. It looks like I'm going to need you on Wednesday. Are you still at [REDACTED] in case things change. We're only doing a half day tomorrow, so I should have a better idea of what is going on by tomorrow afternoon. I'll keep you posted.

By the way, I am not asking you how your weekend was. I have a pretty good idea already.

Both Norfolk Superior continued and Suffolk Superior may plea.

Let me know if you need anything.

As for the drugs, I am coming in on Saturday and Monday to do samples. Yeah, I know I am insane.

Have a nice weekend.

Wow! I will avoid it at all costs. We can worry about it if its unavoidable. I'll keep you posted.  
Just in case -its lab number [REDACTED] Have a nice weekend!

By the way, when do you find time to test drugs these days?

Hi Annie.

Is there any chance you're available on Tuesday or Wednesday of next week to testify?

Thanks,  
Greg
